

Books from the Heart

February 11-14

Share your child's love of books!

The annual PTO-sponsored **Books from the Heart** program Monday! This special event allows students to honor their favorite teacher or specialist within a book of their own choosing. Students get to see their name in the book and enjoy it with their teacher and classmates for an entire month. Later, the book goes to the library for all to enjoy. This program not only pleases students and teachers, but it also helps keep our library full of high-quality books. Chickering's librarian, Mrs. Cheryl Chase, has already selected nearly 300 books for purchase and they are ready for your children!

Two ways to participate

Please complete the order form below and make plans to come in before or after school February 11-14 to help your child select a book and complete a "bookplate." (This is a special sticker with the name of your child and the teacher). **Or**, simply return the completed form in your child's backpack February 11-14, with a check payable to the Dover PTO (no cash, please). One of our volunteers will be happy to assist your child during lunch or recess.
